Please incorporate in your personal statement essay that you write for admission a discussion about why you think you would be a good candidate for given fellowship or assistantship.

The Margaret L. Whitford Fellowship is a leadership position within the MFA Student Council. Your letter should detail any experiences you have had with leadership.

For the Words Without Walls Fellowship please detail any experience you have had either teaching or working as a tutor, particularly in alternative spaces.

The Gray St. Germain Gideon Fellowship will be awarded to a student whose education has been interrupted and is returning to school after an absence of at least two years.

In the case of *The Fourth River* Fellowship, please include a discussion of any publishing experience you have, or previous experience with literary magazines.

For the Teaching Assistantship, please detail any experience you have had either teaching or working as a tutor or in a writing center.

For the Newsletter Editor and Social Media Coordinator Assistantship, please detail any experience you have with the software necessary to create such newsletters.

For the Research Assistantship, please discuss research skills and grant-writing experience you possess.
