# Welcome

Welcome to Chatham University! A university is many things- a place to explore new ideas, to prepare for a career, and to meet new people. But most of all, it's a community. At Chatham, you will find people with many different interests and experiences. Our community thrives whenever new voices and ideas are added; we welcome you, your voice, and your ideas.

Take advantage of your time here. Explore an internship or a research project. Join a club or volunteer in a service activity. Pursue old dreams and find new ones. Commit to try something

new; we are here to support you every step of the way.

Chatham is fortunate to be in an ideal location; we are located near a wide array of attractions, including museums, parks, sporting venues, and rich cultural experiences. Pittsburgh has also developed a well-deserved reputation as a “foodie town,” but don’t forget to try all our local favorites, including Smiley cookies, great ice cream options, and of course, the “Pittsburgh salad”!

This year, we will celebrate our annual Homecoming Weekend on October 3-5, welcoming alumni and many others. Be sure to invite your friends and family and take advantage of opportunities to get to know our alumni and hear about their experiences at Chatham and in their careers!

At Chatham, we take pride in our Cougars, with several award-winning NCAA Division III athletic teams. Near the Art & Design Center on the Shadyside Campus, you’ll find our Athletic & Fitness Center (AFC) and a versatile practice area and varsity field, both of which are open to all students. We encourage you to catch a game or two—whether on campus at the AFC, at West Field in Munhall for baseball and softball, or at Graham Field, our dedicated venue for lacrosse and soccer.

Chatham’s mission emphasizes building professional skills and the importance of the arts and sciences. By choosing Chatham, you will learn how to ask questions: an essential skill for a life-long learner. Chatham encourages engagement, diversity of opinions, and respect for others, all of which are all needed in a healthy community.

I hope you enjoy your time at Chatham, and I wish you an exciting and successful year!

Dr. Lisa Lambert  
Interim President

# A Letter from your VP of Student Affairs & Dean of Students

To our new students, welcome to Chatham, and our returning students, welcome back! As we begin the 2025-2026 school year, I hope we can again commit to building an inclusive and connective community together this year. A powerful sense of community has always served as the foundation of the Chatham experience.

Each year I witness a simple but profound act as students gather in orientation groups on the quad on the first day of new student and transfer orientation. As a new student joins each orientation group, the rest step back and widen the circle so they may enter. Let us all commit to replicating this act metaphorically by making our social and community “circles” a bit wider for our new students joining us this year. Fostering a sense of connection across the Chatham campus allows students to embrace their authentic selves and thrive.

The student handbook serves as your introduction to the Chatham community. It is a road map for your success at the University. If you cannot find something you were looking for or need additional assistance, please do not hesitate to contact me or a Student Affairs team member. We are here to support and advocate for you.

I look forward to our shared journey together this year. Let us make it a wonderful year for growth, connection, and community at Chatham University.

Best,  
Chris Purcell, Ed.D.  
VP of Student Affairs & Dean of Students

# About Chatham

---

## University Vision

Chatham will be recognized as a leading urban liberal arts university providing transformative learning experiences—in the heart of a vibrant college city, Pittsburgh—that engages students in building professional skills, preparing for lives of purpose, meaning, and fulfilling work, and creating a more equitable, healthy, and sustainable future for us all.

## University Mission

Chatham University prepares students to lead lives of purpose, meaning and fulfilling work. Through a combination of liberal arts and professional skills building, and close engagement between students, faculty and staff, Chatham teaches its graduates to be informed and engaged citizens in their communities; to welcome and respect diversity of all kinds; and to help improve the fields and communities where they work and live.

## Values

These are some of the core values to which Chatham is committed and for which the members of the Chatham community are committed to doing the work and continuous improvement required to advance, embody, and model them in everything we do.

## Community & Civic Engagement

At Chatham, civic and community engagement is a two-way street. Pittsburgh and other communities have long served as rich learning and growth environments for members of the Chatham community – through service-learning opportunities, internships and summer jobs, clinical placements, etc. In return, the members of the Chatham community strive to leave the communities with which they engage (and the people who live and work in them) better and healthier than they found them.

## Diversity, Equity & Inclusion (DEI)

From our inception based on access, equality, and opportunity, Chatham has been inspired to respect and promote diversity and inclusion amongst our community members. We are committed to providing academic, personal, social, and cultural support to students to promote an environment that understands and embraces multiculturalism. Likewise, we strive to create and sustain an environment where our faculty and staff thrive.

## Women's Leadership and Gender Equity

Chatham's establishment of the Pennsylvania Center for Women & Politics, Center for Women's Entrepreneurship, and Women's Institute are rooted in our founding as a women's college and our continuing commitment to improve opportunities for women and women's leadership. Through these and other initiatives Chatham is working to achieve a state of equal access to resources and opportunities for all, regardless of gender, including economic participation and decision-making, and valuing different behaviors, aspirations and needs equally, regardless of gender.

## Sustainability

Inspired by the legacy of our alumna Rachel Carson '29, Chatham aspires to be a place where students, faculty and community partners work together to address complex systems changes tied to environmental, economic, and social challenges—like the climate crisis, biodiversity loss, and structural inequity—to advance a fair and healthy future for people and the planet. We will continue to model sustainability leadership through the Falk

School and Eden Hall Campus and by continuing our progress toward the goal of achieving net-zero greenhouse gas emissions.

## Chatham University Locations

- **Shadyside Campus, Woodland Road:** Chatham’s urban Shadyside Campus is located minutes from downtown Pittsburgh. The Woodland Road location is the University’s foundation, and features many stately mansions which now serve as residence halls and administrative and academic buildings. The campus architecture includes historic structures — such as the c.1861 Howe-Childs Gate House — and modern amenities, including the Science Complex and the Athletic and Fitness Center. With elements designed for the original Andrew Mellon estate by the renowned Olmsted Brothers, the Chatham University campus is one of the most idyllic locations in the City of Pittsburgh. Designated an arboretum in 1998 by the American Association of Botanical Gardens and Arboreta (now known as the American Public Garden Association), Chatham’s 39-acre campus features 125 different varieties of species, including Japanese Flowering Crabapple, River Birch, and Kentucky Coffee Tree.
- **Shadyside Campus, Chatham Eastside:** A mile from Woodland Road, Chatham Eastside is home to the School of Health Sciences and interior architecture programs and is in the heart of one of Pittsburgh’s fastest growing and historic neighborhoods. When this building was renovated, the architects used sustainable design practices, recycled materials, and energy-efficient lighting to create academic and social spaces. Today, Chatham Eastside hosts innovative spaces for exercise science, athletic training, physical therapy, occupational therapy, physician assistant studies, and counseling psychology where students acquire hands-on experience; comfortable common areas for studying or taking a break; stadium-seating classrooms; the Eastside Café; the Center for Women’s Entrepreneurship Maker Lab; and the Athletic Annex.
- **Eden Hall:** Chatham’s Eden Hall embodies Chatham’s commitment to support sustainability and environmental education. It’s home to Chatham’s Falk School of Sustainability and functions as a learning laboratory where the campus doesn’t just house classrooms, but is the classroom. It’s where a blend of knowledge, experience, and creativity is always working, persistently developing, and constantly improving. Using environmentally responsible technology, design, and innovation, Eden Hall is a showcase for solar energy, geothermal heating and cooling, sustainable agriculture and food production, rain and stormwater systems, and more.

## History of Chatham

Chatham was chartered as the Pennsylvania Female College on December 11, 1869. The Reverend William Trimble Beatty, pastor of the Shadyside Presbyterian Church, led a group of Pittsburghers in making the dream of providing women with an education comparable to that which men could receive at the time at “colleges of the first class.” The founders were ahead of their time: 1869 was the year the National Association of Women’s Suffrage was established, and the year John Stuart Mill published *The Subjection of Women*. Pennsylvania Female College occupied the largest private residence in Allegheny County—the George Berry mansion atop Fifth Avenue in Shadyside. Fifteen faculty and more than 100 students occupied the 11-acre campus.

In 1890, Chatham’s name was changed to Pennsylvania College for Women. In 1955, it was changed again to Chatham College in honor of William Pitt, First Earl of Chatham and

namesake of the City of Pittsburgh. In 1994, Chatham College expanded from its historic undergraduate women's college by offering graduate programs to both men and women with a special emphasis in the health science fields.

The Commonwealth of Pennsylvania granted Chatham University status in 2007, which was officially announced on May 1, 2007, and marks Chatham's newest tradition, University Day. On May 1, 2008, Chatham received a gift unequalled in its history: the Eden Hall Farm from the Eden Hall Foundation. The University's Shadyside Campus expanded in June 2008 to include Chatham Eastside near Bakery Square, approximately one mile from Woodland Road and home to many of Chatham's in-demand health science programs.

In 2010, Chatham launched the Falk School of Sustainability & Environment. In 2012, Chatham broke ground on Eden Hall Campus, the first campus in the world built from the ground up for the study of sustainability.

On May 1, 2014, Chatham University's Board of Trustees voted in approval of a resolution that expanded access to a high-quality Chatham undergraduate education to more students, ensured that Chatham can meet the educational needs of its students and the region for the future, and ensured the continuation of Chatham's 145-year commitment to advancing the causes of women with the founding of the Chatham University Women's Institute, along with the existing Pennsylvania Center for Women and Politics, and Center for Women's Entrepreneurship.

From 2014 to 2024, Chatham was one of the fastest-growing colleges in Pennsylvania, with undergraduate enrollment more than doubling. Today, Chatham has over 2,400 students enrolled in bachelor's, master's, or doctoral programs in the College of Arts & Sciences, College of Health Sciences, School of Business & Enterprise, and the Falk School of Sustainability & Environment.

### Overview

The University partners with UPMC Health Plan to provide the Student Health Insurance Plan, which offers in-network coverage at nearby medical facilities. This insurance is affordable and easy to use, and it allows you to access:

- Preventive care
- Treatment for illnesses and injuries, including sports and exercise injuries
- MyHealth, an online health promotion program
- eBenefits for online benefits management
- Care when traveling outside UPMC Health Plan's coverage area

UPMC Health Plan's network includes more than 140 hospitals and over 29,000 physicians across Pennsylvania. If your doctor does not participate in UPMC Health Plan's network, you will still be covered. Your student plan will give you the freedom to see out-of-network providers, but you will have higher out-of-pocket costs.

Out-of-area students who go home for extended visits and students who travel within the United States can use the physicians and facilities in a nationwide extended network. It includes thousands of hospitals and more than 1 million healthcare professionals across the country.

UPMC's student health plan covers a wide variety of high-quality, effective generic and brand-name drugs. When you're traveling, you'll have access to thousands of pharmacies nationwide. With your student plan, you can fill prescriptions at locations including CVS, Giant Eagle, Kmart, Rite Aid, Sam's Club, and Walmart.

# Affirmed Name Policy for Students

Date: 12/5/2019

Chatham University is committed to providing an environment that is inclusive and affirming. As part of this commitment, the University supports students seeking to use their affirmed names.

Affirmed name is the name a person uses that represents (affirms in a positive way) who they are and how they wish to be referred to and identified. Whereas, legal name is the name that is reflected in legal documents, such as birth certificates, social security card, passport, driver's license and other such documents controlled by local, state, or federal agencies. Not everyone who has an affirmed name can change their legal name to their affirmed name.

Providing students with the option to change their name contributes to a safe and non-discriminatory college experience. Reasons for name changes may include identifying as transgender or gender non-conforming; experiencing stalking, violence, or other safety needs; being an international student or other student who wishes to adopt an English language name; being known by a name that is different from their legal name; or having a popular name and wishing to use a different name. Some records may require the use of legal names only, such as all of those associated with federal and medical documentation.

Due to either federal, state, or local policies, to comply with legal standards, Chatham University is restricted to the use of a legal name in the following documents:

- Academic Records, Forms, and Documents including Transcripts and Official Class Rosters
- Financial Aid Records, Forms and Documents
- Payroll and Student Employment Records, Forms, and Documents
- Student Health Insurance Records, Forms and Documents (if purchased)
- SEVIS Records, Forms and Documents (if international student)
- Admissions enrollment management Records, Forms, and Documents
- Any other federal, state, or local records, forms, and documents that require the use of the legal name

If a Chatham University community member declines to recognize a student by their affirmed name, the student should contact the Dean of Students for resolution purposes.

Additional resources and advocates for students include:

- Gender and Sexual Violence Prevention Committee
- Office of Diversity, Equity & Inclusion
- Director of the Women's Institute
- Academic Deans
- Title IX Coordinator and Deputy Title IX Coordinators
- Executive Director of Counseling and Wellness Services
- Office of Student Affairs
- Office of Residence Life

Students have the option to request that their affirmed name be used within designated Chatham University technology systems. To complete this process, students must submit the [Affirmed Name Registration Form](#). This is an online application, which you will log into using your Portal credentials. Students should allow at minimum two weeks from the date they received confirmation of their affirmed name change request for necessary Chatham

University systems to be updated. After the two-week period if the student encounters a situation where the affirmed name change has not taken place in the areas noted in this policy, they should follow-up with the Office of Student Affairs.

The change from legal name to an affirmed name will be displayed in all electronic system where technologically feasible:

- Student Portal Username (myChatham)
- Office365 Username and E-mail Address (Chatham University e-mail system)
- Brightspace Username (Chatham University Learning Management System)
- Unofficial Class Rosters (An official class roster list students' legal name. However, Information Technology (IT) is able to provide a report that list students' affirmed name for faculty members)
- StarRez housing system display name
- Chatham University ID
- Athletic systems and websites
- Institutional Advancement management systems

# Student Conduct

# Policy on Student Behavior and Conduct

## i. Overview

The Honor Code of Chatham University (“Chatham” or “the University”) sets forth a set of standards of student behavior and conduct that are grounded in the values embodied in Chatham’s Mission and Values Statements as well as other Chatham policies and rules. The Honor Code provides a framework to address allegations that a student (including students, student organizations, athletic teams or other affiliated groups) failed to uphold the standards set forth herein.

The Honor Code is intended to foster and strengthen a learning, living, and working community that is committed to excellence in all endeavors, honesty, personal integrity, accountability, and respect for the rights, opinions and well-being of others, and whose members are committed to having these and the other Chatham values inform the choices they make.

Students are expected to familiarize themselves with their responsibilities under the Honor Code. Failure to do so will not constitute an excuse for failing to meet these responsibilities. The Honor Code is comprised of two distinct policies: Student Behavior and Conduct and the [Academic Integrity Policy](#). This document specifically focuses on Student Behavior and Conduct.

## ii. Scope and Jurisdiction

This Policy applies to Prohibited Conduct committed by Chatham students, from the moment they accept admission until the moment they graduate or withdraw from the university. Accepting admission is defined as depositing for the upcoming term. A student who chooses to withdraw from the University rather than participate in the Honor Code’s judicial process will still be held accountable for prohibited conduct. The University reserves the right to continue the Honor Code process even after a student has withdrawn. Outcomes could include placing a hold on the student’s account. This policy also applies to recognized student organizations and athletic teams. In addition, students are responsible and held accountable for the actions of their guest(s) on campus. The determination of whether behaviors are subject to the Honor Code will be made by the Vice President of Student Affairs and Dean of Students or their designee.

Chatham has jurisdiction over Honor Code-related complaints regarding Prohibited Conduct that occurs (i) on campus; (ii) during an official Chatham program or activity (regardless of location); (iii) off campus; (iv) or in an online or virtual space. The Honor Code applies regardless of whether the University is in session.

Students are responsible for the activities that occur in their assigned residence hall rooms and apartments, shared living/common spaces. All assigned occupants of a room or suite, may be subject to the same sanction as the individuals directly responsible for the violation.

Allegations of dating and domestic violence, sexual harassment, stalking, and sexual assault as defined by Title IX are handled through Chatham’s Title IX Policy Prohibiting Sexual Harassment and will be referred immediately to the Title IX Office.

Allegations of academic misconduct (including cheating, plagiarism, etc.) are handled through the [Academic Integrity Policy and Procedures](#) and will be immediately referred to the Academic Integrity Officer.

The Dean of Students or their designee will work with the Academic Integrity Officer and/or Title IX Coordinator to determine which policy covers an alleged student violation. Ordinarily, allegations will not be adjudicated under multiple policies.

The University reserves the right to pursue matters through the Honor Code that may also be addressed in the civil or criminal legal system. Proceedings under the Honor Code can happen before, during, or after a civil or criminal proceeding. The University can also refer items to the civil or criminal legal system. Police officers in the Public Safety Department at Chatham University are certified under Pennsylvania Legislative Act 120: Municipal Police Officers Education and Training Act and/or Legislative Act 235: The Lethal Weapons Training Act, and are armed. The officers are sworn in by Allegheny County and have arrest powers as granted by Pennsylvania Legislative Act 501: The Private Police Act. Their jurisdiction includes all Chatham University property and all roads running through and adjacent to the campus. The Department of Public Safety also has the authority to investigate and issue citations for summary offenses and misdemeanors such as certain alcohol and drug offenses, disorderly conduct, etc., and generally will refer these issues to the Honor Code unless it is a more serious issue.

### iii. Related Definitions Under This Policy

This section serves to define and elaborate upon key terms appearing within the Honor Code.

**Advisor:** An advisor is defined as a University employee who has knowledge and has received training around the student conduct process and the Honor Code. The advisor shall not make decisions for the student, but will assist them in understanding the process, accessing student resources, and if applicable, attend a Judicial or Administrative Hearing. Students who would like to have an advisor appointed to them should submit a request in writing to [honorcode@chatham.edu](mailto:honorcode@chatham.edu).

**Complainant:** Complainant is defined as the individual(s) who put forth the report of alleged misconduct that is in violation of the Honor Code.

**Informal Resolution Process:** The informal resolution process is defined as a form of resolution for Honor Code infractions which are first-time offenses and/or which fall under categories that would not result in a separation from the University, as outlined in the Procedures section.

**Intentional Avoidance:** This is an order or agreement between two students where they will intentionally avoid having contact with one another, recognizing that as a small community they will most likely come into contact. This involves avoiding contact with the person, sitting apart from them in the dining hall and other community spaces, etc.

**Prohibited Conduct:** Prohibited conduct is defined as any conduct committed by students or student organizations that violates the values and responsibilities outlined in the Student Honor Code, regardless of whether it occurred during the Academic term and on- or off-campus.

**Recognized Student Organizations:** Recognized Student Organizations are defined as student groups that have completed the requirements necessary to be recognized by the Office of Student Engagement as active, sanctioned Student Organizations.

**Respondent:** Respondent is defined as the individual who has allegedly violated the Honor Code, in other words, the student or student organization that is responding to the reported infraction.

**Sanctions:** Sanctions are defined as the determined educational and/or disciplinary outcomes as determined by the party or parties who oversee the resolution of reported Student Misconduct.

**Student Conduct File:** The Student Conduct File is defined as the records that will be retained on all students who participate in the Honor Code process. These records will be retained for seven years and may be used for a student background check or transfer requests.

**Student Record:** Student record is defined as the permanent record stored in the Student Information System (SIS). The Student record is used internally and not released to the outside community unless written consent is given by the student.

**Transcript:** The official Chatham University record of student academic credit and grades.

A student who receives assistance in the same manner as above will also be given amnesty from the Honor Code. However, students may still be required to participate in an educational meeting.

In addition, if a student demonstrates a habitual or reckless disregard for their safety or others through an abuse of the Amnesty provision then the student could be subjected to charges under the Code.

## vi. Sanctions

The Honor Code strives to educate students to promote personal growth and understanding of what it means to be a contributing member of the University community. While sanctions aim to be educational in nature, sanctions can also be punitive depending upon the circumstances of the violation. The determination of sanctions is based upon several factors, including the nature of the violation, the harm suffered by the Complainant, the impact of the violation on the community, any previous violations, and any mitigating or aggravating circumstances.

### A. Disciplinary Status

It is expected that Respondents found in violation of the Honor Code will be subjected to at least one of the following disciplinary statuses and may be subject to an accountability and support plan, which is designed to educate and encourage reflection on the student's decisions, impact on the University Community, and understanding to prevent further prohibited conduct. All student-athlete disciplinary statuses will be reported to the Athletics Department and athletes may be subject to additional processes and sanctions. Disciplinary statuses will also be reported to the Academic Integrity Officer.

**Educational Warning:** An unofficial written notice is generally used for first-time, low level violations that fall within the informal resolution process. It indicates that the behavior was inappropriate and warrants modification for the future. A student who is in this status may still complete an accountability plan, but this status will typically warrant a discussion and reflection on better decision-making. Unlike other sanctions, an educational warning status will not appear in a student's conduct file, but it will be maintained in the Office of the Dean of Students Honor Code records and may be taken into consideration if additional violations occur.

**Disciplinary Warning:** An official written notice which conveys that the behavior was unacceptable and that any future prohibited conduct may result in more severe disciplinary sanctions. This sanction status will be reflected in the Student's Conduct File and could be reported per Section VII: Retention of Records.

**Probation:** An official written notice indicating that the subsequent violations of University policy will result in a review for suspension or dismissal from the University. The probation will be enacted for a specified duration admonishing a student that if the student is found responsible for engaging in prohibited conduct during this time period that more severe disciplinary sanctions will be imposed. Conditions of probation include, but are not limited to loss of privileges and fines or fees. This status is used in the case of high-level and repeat violations. This sanction status will be reflected in the Student's Conduct File and could be reported per Section VII: Retention of Records.

**Suspension:** An official written notice outlining the separation of the student from the University for a defined period of time, after which the student is eligible to return. The sanction prohibits attendance at any classes and participation in the University Study Abroad program and may restrict access to University grounds or buildings, as well as attendance at University sponsored social events or other functions. The student may not register or enroll until the stated period of suspension is completed and any requirements

for the period of suspension or conditions to return to the University are fulfilled. This sanction status will be reflected in the Student's Conduct File and on the official transcript.

**Dismissal:** An official written notice outlining the permanent separation of the student from the University. This sanction status will be reflected in the Student's Conduct File and on the official transcript. This record will be retained permanently.

### B. Student and Student Organization Accountability Plan Options

Respondents may also be subject to an Accountability Plan, which is designed to educate and encourage reflection on the student's decision-making process, impact on the University Community, as well as gaining an understanding to prevent future prohibited conduct. Accountability plans can be created for individual students, student organizations, athletic teams, and/or groups of students. The following is a non-exhaustive list of items that may be included in the plan:

- Research or reflection essays or presentations designed to educate the student on a particular topic related to their conduct or requiring the Respondent to reflect on the impact of their actions.
- Restitution for the loss, damage, or actual expenses incurred as a result of the student behavior. This could be in the form of a monetary fine or service to the University.
- Community Service to the institution or a local non-profit.
- Participation in educational programming, including alcohol and other drug workshops, evaluations, assessment or reflection activities.
- Referral to Counseling Services for assessment.
- Loss of privileges to University services or activities, including but not limited to student organizations, athletic teams, housing, and/or events.
- Participation in a mediation session through a University-identified mediator. Students experiencing interpersonal conflict may be referred to mediation. If mediation efforts are refused or unsuccessful, the case may be referred back to the Code for adjudication.
- Intentional avoidance order with specified community members.

### vii. Retention of Records

Chatham University retains outcomes of the Student Honor Code and Academic Integrity proceedings in the student record and in the student management system. Records of the proceedings are maintained by the Dean of Students and/or Academic Integrity Officer. All Prohibited Conduct Records will be shared with the Academic Integrity Officer.

Records of student conduct and academic integrity proceedings are confidential and are not released to any external individual, agency, or organization without prior written consent of the current/former student or as otherwise required or authorized by law, court order or University policy.

Records pertaining to student conduct and academic integrity proceedings generally do not result in a notation on the student transcript unless the student is suspended or dismissed as a result of these proceedings. Educational Warning statuses are not included in the student's conduct file. All other statuses outlined in Sanctions will become a part of the student's disciplinary record and will be retained for either the period of time required under the federal Clery Act (which in most cases is six to seven years after the date the incident was reported to the University), or seven years after final separation of the student from the University, whichever is longer.

For purposes of determining final separation from the University, a student must be

separated for seven continuous years. If a student re-enrolls in any student program within seven years, the calculation of the final separation date will reset. If a student withdraws from the University prior to final adjudication of a student conduct or academic integrity matter or fails to fulfill all obligations to the University, the records of the proceedings will be retained indefinitely.

#### viii. Related Laws with Respect to this Policy

**Clery Act:** The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act was enacted by the U.S. Department of Education. It requires campus security departments to disclose specified information about crime on their campuses. The Clery Act requires colleges and universities to publish an annual security report, maintain a public crime log, disclose crime statistics that occur on or near (as specified in the Act) campus, issue warnings about potential crimes that pose a threat to students, and enact policies and procedures to handle reports of missing students.

#### ix. Amendment/Review Policy

The Honor Code on Student Behavior and Conduct will be reviewed by the Vice President of Student Affairs and Dean of Students or their designee and designated body one year after implementation and then every three years thereafter. In addition, the Honor Code may be amended at any time due to a change in local, county, state, or government laws and/or policies.

## Procedures for Investigating Complaints or Reports of Prohibited Conduct Under the Honor Code: Student Behavior and Conduct Policy

Chatham utilizes the following procedures to adjudicate allegations that a student, students, or student organization violated the Student Behavior and Conduct Policy of the Honor Code.

### 1. Reporting a Violation of the Honor Code

#### A. How to Report

Allegations that a Chatham student, students, student organization, or athletic team engaged in Prohibited Conduct may be brought forward in one of two ways: (a) any Chatham student, faculty, or staff member may report the alleged Prohibited Conduct to the Vice President of Student Affairs and Dean of Students or their designee (in person, by phone, or in writing, including -e-mail), or (b) by submitting a written Complaint through the online form to the Vice President of Student Affairs and Dean of Students or their designee. Written Complaints must include: the name of the Complainant; the specific provision(s) of the Honor Code allegedly violated; the names of all known witnesses who may have information concerning the allegation(s); and all **known facts about the violation(s) being alleged**.

**Chatham students, faculty, or staff members may report an allegation of Prohibited Conduct or file a formal Complaint by contacting the Vice President of Student Affairs and Dean of Students or their designee or the Office of Student Affairs as follows:**

**E-mail** [HonorCode@chatham.edu](mailto:HonorCode@chatham.edu) or submit an [online form](#). The form may be submitted anonymously. Generally, the more information a report includes, the more helpful the report will be to the Office of Student Affairs in moving forward.

The Vice President of Student Affairs and Dean of Students or their designee and the Office of Student Affairs also have access to other Chatham reports and internal communications (e.g., Incident Reports, Campus Security Authority (CSA) reports, reports from the Office of Campus Police) which, if they refer to conduct or action that constitute Prohibited Conduct under the Honor Code, will be considered a report or reporting for purposes of the Honor Code. In addition, the Dean of Students may be notified of incidents from off-campus agencies (i.e. police reports, reports from local universities) and can use these reports to pursue action if the conduct described constitutes Prohibited Conduct.

## B. Interim Measures

The Vice President of Student Affairs and Dean of Students or their designee will provide appropriate interim measures when necessary for the protection of other students involved. These measures can include, but are not limited to:

- Intentional Avoidance Order or temporary Persona Non Grata
- Employment, transportation, academic, or temporary residential modifications
- Referral to the Counseling Center or mandated assessment if there is a threat to self or others

If it is determined that there is an immediate threat to the safety and wellbeing of the community or there is a threat of ongoing disruption with normal business, the Vice President of Student Affairs and Dean of Students or their designee may impose an interim suspension on the Respondent in the case. An interim suspension may include suspension of privileges, as well as suspension from the University. During an interim suspension, a student may be denied access to University

## 2. What Happens After a Report is Received?

### A. Preliminary Review/Investigation

When an allegation of Prohibited Conduct has been brought to the attention of the Vice President of Student Affairs and Dean of Students or their designee, the Vice President of Student Affairs and Dean of Students or their designee shall conduct, in a timely manner, a preliminary review consisting of appropriate fact-finding (including, but not limited to, conducting interviews and gathering evidence) to determine, in the Vice President of Student Affairs and Dean of Students or their designee's discretion, which of two procedural options is appropriate.

## 3. Description of the Options for Resolving Allegations of Prohibited Conduct

There are two (2) options for resolving an allegation of Prohibited Conduct:

### • **Informal Resolution:**

- **Scope:** Informal Resolution is typically reserved (a) for matters involving alcohol and drug violations, (b) matters involving student organizations or athletic teams; and (c) violations of the Prohibited Conduct in the Honor Code that would not result in separation of a student from Chatham (such as suspension or expulsion).
- **Process: One-on-One Through the Vice President of Student Affairs and Dean of Students or their designee:** The Vice President of Student Affairs and Dean of Students or their designee will work informally with the student(s) or student organization to determine responsibility and recommend sanctions if warranted. Pursuing the informal resolution is at the discretion of the Vice President of Student Affairs and Dean of Students or their designee; the Vice President of Student Affairs and Dean of Students or their designee may elect to refer the matter immediately to

a Formal Resolution. A student, students, student organization, or athletic team who have been offered Informal Resolution may at any time in the process request that the matter be referred to an Administrative Hearing. As part of the informal process, the student, students, or student organization or athletic team must take responsibility for their actions. If they are unwilling to do so, then the matter would be referred to a Formal Resolution. A student, students, or student organization or athletic team who have participated in the informal process have no grounds for appeal.

- **Formal Resolution:**

- **Scope:** Formal Resolution is typically reserved for students with multiple violations, repeated offenses, offenses that have caused harm to others, or allegations that may result in a University initiated separation of a student from Chatham (*i.e.*, suspension or dismissal). Matters that could initiate separation from the university will automatically be referred to the Judicial Board, including the following prohibited conduct: Hate crimes, bias incidents, physical harm of others, threats of physical violence or harm to others, dealing/distributing illegal drugs and substances, and bringing weapons on campus. At their discretion, the Vice President of Student Affairs and Dean of Students or their designee may refer other prohibited conduct.
- **Two-Track Process:** Formal Resolution may proceed on two independent tracks:
  - **Track 1: Administrative Hearing (AH) Process:** Matters are conducted before a designated administrator (Vice President of Student Affairs and Dean of Students or their designee) who will oversee the hearing and make the final decision. Administrative Hearings can be appealed (see Section 5. Appeals). Students, groups of students, student organizations or athletic teams may request AH if they are unwilling to accept responsibility through the informal process or would prefer this process.
  - **Track 2: Judicial Board:** Resolutions are conducted before a three-member Judicial Board consisting of one each of the following: student, faculty, and administrator. (See section 4.B Formal Resolution for more detail). Judicial Boards are reserved for the most serious prohibited conduct that may result in a separation from the University.

For purposes of this Procedures section, Administrative Hearings (AH) and Judicial Boards (JB) may be referred to collectively as Student Conduct Hearings and will follow the same process. The primary difference is the Administrative Hearing is overseen by one administrator whereas the Judicial Board is a panel of three individuals.

University adjudication (Informal Resolution or Formal Resolution) is educational in nature and does not preclude or limit a student's access to the state and federal judicial systems when such systems may provide a cause of action for the same conduct alleged in Student Honor Code Hearings. Student Honor Code Hearings are not courts of law and are not bound by the formal rules of evidence and certain rights accorded to parties in civil or criminal actions.

When a Student Conduct Hearing results from a formal Complaint, the person making the Complaint will be the Complainant during any Student Conduct Hearing, and the person(s) alleged to have engaged in Prohibited Conduct shall be the Respondent(s). If the person who made the initial report chooses not to submit a formal Complaint, the Vice President of Student Affairs and Dean of Students or their designee shall serve as the Complainant on behalf of Chatham. In the case of Administrative Hearings involving student organizations,

representatives of the student organization are entitled to be present through the hearing representing the Respondent.

## 4. Process for Administrative and Judicial Boards

### A. Informal Resolution

As noted above, in an Informal Resolution, the Vice President of Student Affairs and Dean of Students or their designee works with the Respondent(s) to determine responsibility and any sanctions if warranted. Ordinarily, an Informal Resolution process will be conducted and concluded within 15 business days of the time an allegation is brought to the attention of the Vice President of Student Affairs and Dean of Students or their designee. The process can take longer and will be appropriately documented if additional time is needed.

When the Vice President of Student Affairs and Dean of Students or their designee has made a determination, they shall notify the Respondent in writing (e-mail is authorized) of the determination and any sanctions. Upon receipt of that notification, the Respondent shall have five (5) Business Days to either accept or reject the determination by returning notification via e-mail or letter to Dean of Students. Failure of the Respondent (s) to respond within the designated time frame will be deemed an acceptance of the determination of the Vice President of Student Affairs and Dean of Students or their designee. If a student rejects an Informal Resolution determination, the Vice President of Student Affairs and Dean of Students or their designee will refer the matter to an Administrative Hearing or a Judicial Board as appropriate.

### B. Formal Resolution: Administrative Hearing or Judicial Board

The process by which an Administrative Hearing or a Judicial Board are conducted is very similar, with the main difference being who presides over the process.

## 1. Overview

### a. Oversight/Management

#### i. Judicial Board

A Judicial Board consists of three members: one (1) student, one (1) faculty member, and one (1) member of the administration (Vice President, Associate/Assistant Vice President, Dean, Assistant Dean, Program/Department Director, or an Associate/Assistant Department Director).

The Vice President of Student Affairs and Dean of Students or their designee will appoint a pool of Judicial Board Members each academic year. The pool shall include a minimum of three (3) individuals in each of the following categories: (a) Undergraduate Students, (b) Graduate Students, (c) Undergraduate Faculty, (d) Graduate Faculty, and (e) Administrators. Selection is at the discretion of the Vice President of Student Affairs and Dean of Students or their designee; however, student Judicial Board members (Undergraduate and Graduate) must maintain at least a 3.5 GPA during their service as a Judicial Board Member and be in good standing, and faculty members and administrators serving as a Judicial Board Member shall have taught or worked, respectively, for at least three (3) years at Chatham or another higher education institution.

The faculty member or the administrator may serve as the Chair of the Judicial Board. The student member may not serve as Chair, but otherwise shall have the same rights as the other two members of the Judicial Board.

It is the responsibility of the Vice President of Student Affairs and Dean of Students or their designee to provide annual training to the Judicial Board Members.

ii. Administrative Hearing

Administrative Hearings shall be overseen by an Administrative Hearing Officer (AHO) assigned by the Vice President of Student Affairs and Dean of Students or their designee. Typically, an AHO will be an experienced member of the Office of Student Affairs.

It is the responsibility of the Vice President of Student Affairs and Dean of Students or their designee to provide annual training to the AHO(s).

**a. Opportunity for Respondent to Object to Formal Student Conduct Hearing Members**

When the Vice President of Student Affairs and Dean of Students or their designee has appointed an AHO or Judicial Board for a Respondent's case, the Vice President of Student Affairs and Dean of Students or their designee will notify the Respondent in writing of the identity of the AHO or Judicial Board members. The Respondent shall have three (3) Business Days from such notification to object to any member of the AHO or Judicial Board on the basis that the person(s) would be unable to render a fair and objective decision because of personal bias. The fact that the Respondent knows or is acquainted with a Judicial Board member is not enough, alone, to establish bias. The Respondent must present evidence of specific prior interaction(s), communications, or relationship with an AHO or Judicial Board member that show that the individual would be biased against the Respondent. Similarly, while the Vice President of Student Affairs and Dean of Students or their designee will not appoint a faculty member to the Judicial Board who teaches a class in which the Respondent is currently enrolled, the fact that the Respondent took a class from a faculty member on the Judicial Board in the past is not enough alone to preclude that faculty member from serving on the Respondent's Judicial Board – barring evidence of personal bias of the kind described above.

If the Respondent has not objected to the slate of Judicial Board Members or AHO within the original three (3) days, the Vice President of Student Affairs and Dean of Students or their designee will hand the matter over to the Chair of the Judicial Board or AHO to arrange and conduct hearing.

**a. Rights of the Parties**

Complainants and Respondents are afforded the following rights in Student Conduct Hearings:

i. Respondent Rights

- To be informed in writing of the charge(s) and alleged Prohibited Conduct.
- To not be presumed responsible of any alleged violations unless so found through the appropriate student conduct proceeding.
- To refrain from providing information that is self-incriminating.
- To remain silent. Silence is not construed as culpability.
- To have an Advisor (see Definition) during a Judicial Board or an Administrative Hearing.
- To present witnesses at the hearing (although the Chair of the Judicial Board or AHO may elect not to allow witnesses whose testimony would be duplicative or repetitive of other testimony). Witnesses are not allowed to testify to character of either the

Complainant or the Respondent. Witnesses may only testify about what they directly observed or heard about the incident(s) from the Complainant or the Respondent.

- To request reasonable accommodations to participate in these proceedings through the support of The Office of Academic and Accessibility Resources.
- To have a reasonable length of time to prepare a response to any charges. Reasonable length applies to formal resolution and students will be given a minimum of 5 days to prepare for the Administrative Hearing or Judicial Board, but may request an additional five days. Requests for additional preparation days must be received within 24 hours of the hearing confirmation date.
- To be informed of the evidence upon which a charge is based and afforded an opportunity to offer a response.
- To be given an opportunity to articulate relevant concerns and issues, express opinions, and offer evidence before a Judicial Board or Administrative Hearing.
- To prepare and submit a written statement in matters that may result in separation from Chatham.
- To be afforded privacy by Chatham.
- To have their responsibility determined by the Preponderance of the Evidence (*i.e.*, “more likely than not”) standard.
- To request that a member of the Judicial Board or the AHO be disqualified on the grounds of personal bias.
- To be free from harassment, intimidation or retaliation for being a party to a Judicial Board or Administrative Hearing. Retaliation is expressly prohibited in the Honor Code and allegations of Retaliation will be investigated and prosecuted when appropriate under the Honor Code.
- To appeal a decision based on certain grounds enumerated below (see Appeals).

## ii. Complainant Rights

- To be informed in writing of the charge(s) and alleged Prohibited Conduct.
- To have an Advisor (see Definition) during a Judicial Board or an Administrative Hearing.
- To present witnesses at the hearing (although the Chair of the Judicial Board or AHO may elect not to allow witnesses whose testimony would be duplicative or repetitive of other testimony). Witnesses are not allowed to testify to character of either the Complainant or the Respondent. Witnesses may only testify about what they directly observed or heard about the incident(s) from the Complainant or the Respondent.
- To request reasonable accommodations to participate in these proceedings through the support of The Office of Academic and Accessibility Resources.
- To have a reasonable length of time to prepare for a proceeding. Reasonable length applies to formal resolution and students will be given a minimum of 5 days to prepare for the Administrative Hearing or Judicial Board.
- To be given an opportunity to articulate relevant concerns and issues, express opinions, and offer evidence before the Judicial Board or Administrative Hearing.
- To be afforded privacy by Chatham.
- To request that a member of the Judicial Board or the AHO be disqualified on the grounds of personal bias.
- To be free from harassment, intimidation or retaliation for being a party to a Judicial Board or Administrative Hearing. Retaliation is expressly prohibited in the Honor Code and allegations of Retaliation will be investigated and prosecuted when appropriate under the Honor Code.

- To appeal a decision on certain grounds enumerated below (see Appeals).

### **3. What Happens Prior to a Student Conduct Hearing**

#### ***a. Notifications and Communications***

The Vice President of Student Affairs and Dean of Students or their designee shall provide the Chair of the Judicial Board or the AHO with: copies of the formal Complaint, if any; the summary/statement of evidence gathered during the initial fact-finding and interview period by the Dean or their Designee; the specific Prohibited Conduct under the Code in which the Respondent is alleged to have engaged; and a summary of any past disciplinary history of the Respondent (only to be used for sanctioning purposes).

The Chair of the Judicial Board or the AHO, in consultation with the Vice President of Student Affairs and Dean of Students or their designee, shall notify in writing (e-mail is acceptable) the Respondent, copying the Complainant (if applicable). The letter shall include the Complaint, if any, the summary of evidence and interviews from the Dean of Students/Designee, and the specific provision(s) of the Honor Code which the Respondent is alleged to have violated. The letter shall provide the date, time, and place of the Judicial Board or Administrative Hearing, and direct the Respondent and Complainant to the "Rights of the Parties" section in the Honor Code. Ordinarily, the hearing should be held within ten (10) business days of the notification.

It is the Complainant's and Respondent's responsibility (i.e., not the responsibility of the Chair of the Judicial Board or the AHO) to notify any witness, witnesses, or Advisor of the date, time and place of hearing.

The Complainant and the Respondent are not required to attend the hearing, but the hearing will occur as scheduled, and the right to question written information, witnesses and the complainants will be forfeited if the Complainant or Respondent does not attend. The Dean of Students or their designee can serve as a representative for the Complainant if requested. This will also be done in the case of reports or cases where there is no formal complainant

At least five (5) Business Days before a Judicial Board or Administrative Hearing, it is the responsibility of the Respondent and Complainant to notify the Chair of the Judicial Board or the AHO of the names of their Advisor and any witness(es) they plan to present at the hearing, and a brief description of the content of each witnesses testimony.

Prior to the Judicial Board, the members of that Board shall meet, either in person or virtually, to review the case and the way the Judicial Board will be conducted.

#### ***b. Recording and Note-Keeping During Hearings***

The Chair of the Judicial Board shall designate someone on the Board to take handwritten notes during the hearing. In Administrative Hearings, the AHO shall appoint a staff member to do so.

Judicial Boards and Administrative Hearings will also be recorded. In Judicial Boards, the Chair shall operate the audio recording device. In Administrative Hearings, the AHO shall operate the audio recording device. Audio recording will stop at the end of the Hearing and will not include any deliberations.

#### ***c. Rescheduling a Judicial Board or Administrative Hearing at a Party's Request***

Should a Complainant or Respondent need to reschedule a Student Conduct Hearing

because either they, a witness, or their Advisor cannot attend the hearing, the Complainant or Respondent may request to the Chair of the Judicial Board or the AHO, as appropriate, that the hearing be rescheduled. Such request must be made at least 24 hours before the scheduled hearing. Requests made less than 24 hours in advance will be reviewed the Chair to determine if extenuating circumstances warrant an exception. Only one request for rescheduling will be granted to a Complainant or Respondent.

#### **d. Postponing a Judicial Board or Administrative Hearing**

If the Vice President of Student Affairs and Dean of Students or their designee is not able to convene a Judicial Board or appoint an AHO because of calendar or other considerations (e.g., over Summer break when students, faculty, and staff may not be present and available on campus), the Dean or their Designee may postpone the hearing until it is possible to convene. If the Vice President of Student Affairs and Dean of Students or their designee determines that the hearing cannot wait, every effort will be made to constitute a Judicial Board or appoint an AHO from available Judicial Board Pool members who are able to step in.

### **3. What Happens During a Student Conduct Hearing**

#### *Order of Proceedings*

Student Conduct Hearings will be held in a secure and private (*i.e.*, closed door) room on Chatham's campus. Hearings and witness statements may also be conducted virtually using a secure platform such as Microsoft Teams. While the Chair of the Judicial Board or AHO have some discretion to modify the proceedings to suit the nature of a case, ordinarily the hearing will begin with everyone (Complainant, Respondent, witness(es), Advisor(s)) in the hearing room.

#### **a. Introduction**

- The Chair/AHO introduces all persons present and explains their roles.
- The Chair/AHO explains the purpose of the hearing and describes the order of events of the hearing.
- The Chair/AHO reminds the Respondent, Complainant (if applicable), Advisor(s) and any witnesses that:
  - Complete candor and honesty are required in the hearing. Perjury and intentional evasiveness are themselves grounds for disciplinary action.
  - What happens in the hearing should remain confidential.
  - Respondents or Complainants who harass, intimidate or attempt to influence the testimony of any parties involved in a Student Conduct hearing, or the members of the Judicial Board/Administrative Hearing Officer, will be subject to disciplinary action.
  - The hearing is not a legal proceeding.
- The Chair/AHO states that the proceedings, but not the deliberations, will be audio-recorded for use if any party chooses to appeal the determination. No one will have access to the recording after the hearing except the Complainant or Respondent if preparing an appeal, or the person hearing such appeal. Because we are creating an audio record, we will ask anyone speaking or testifying during the proceeding to identify themselves before speaking or testifying.
- The Chair/AHO states that only the Complainant and the Respondent will remain in the hearing room throughout the hearing. Witnesses will remain outside the hearing room and will be called in when it is their time to testify.

At this point, the Chair/AHO dismisses any witnesses to a waiting area outside the closed doors of the hearing room. The Complainant and Respondent and any Advisor(s) remain in the room.

**a. *Statement of Alleged Infraction(s)***

The Chair/AHO reads the list of alleged specific infraction(s) and summarizes the information presented in the hearing packet.

**b. *Response from Respondent***

The Chair/AHO invites the Respondent to respond to the allegation(s) and to the information presented in the hearing packet. The response may be:

- a. agreement with the allegation(s);
- b. disagreement with the allegation(s); and/or
- c. a statement (explanation, elaboration or rebuttal).

If the Respondent agrees with/admits to the allegations, the Chair/AHO may elect not to proceed further and instead to begin discussions on sanctions. Note, the Respondent will be given an opportunity to agree with the allegations in advance. If doing so, the Judicial Board may determine to move to discussion of sanctions at the opening of the board. Note, the Judicial Board may still elect to hear statements from all parties (including witnesses) to assist in the sanctions process.

**c. *Opportunity for Testimony and Questions***

- The Respondent and the Complainant have the right to testify orally, in writing, or both.
- The Judicial Board/AHO and then the Respondent are provided opportunity to question the Complainant.
- The Judicial Board/AHO and then the Complainant are provided opportunity to question the Respondent.
- The Judicial Board/AHO, then the Complainant, then the Respondent are provided an opportunity to question the Complainant's and the Respondent's witnesses, one at a time.
  - The precise order of witnesses will be determined by the Chair/AHO in consultation with the Complainant and Respondent. Insofar as possible, the order of witnesses will be determined prior to the hearing; if circumstances require it, the order may be altered as the Chair/AHO deems necessary and appropriate during the hearing.

**d. *Concluding Questions and/or Statements***

When the Chair/AHO determines that all relevant evidence and/or testimony has been heard, the Chair/AHO invites concluding questions and/or statements. The Chair/AHO determines who will provide a closing statement first (Complainant or Respondent).

**e. *Adjournment of the Hearing***

The Chair or AHO thanks and dismisses anyone who is not a member of the Judicial Board or the AHO, and ends the audio recording.

## **4. What Happens After a Student Conduct Hearing**

**a. *Deliberations by the Judicial Board/AHO***

The Board/AHO considers the evidence and testimony from the hearing and makes a determination of either responsibility or non-responsibility for each allegation. In making a determination of responsibility, the Board/AHO use the Preponderance of the Evidence

standard (i.e., “more likely than not”). In the case of Judicial Boards, the determination of sanctions must be by majority vote. If the Board/AHO’s finding is “responsible” for any of the allegations, the past disciplinary history of the Respondent(s), provided by the Dean of Students, will be considered in determining the Board/AHO’s decision regarding appropriate sanction(s).

**b. *Notification of Outcome***

The Chair/AHO transmits to the Dean of Students or Designee a written report of the Board/AHO’s findings. The JB/AHO should utilize evidence to articulate basis for disciplinary status and sanctions (if applicable). The Dean of Students Office will send a final copy of findings to the Respondent(s) and Complainant (if applicable). If the Board/AHO becomes aware of other allegations during the hearing, these will be addressed by the Vice President of Student Affairs and Dean of Students or their designee following the hearing.

**c. *Hearing Notes and Recording***

The Chair/AHO shall submit the audio recording and any handwritten notes to the Vice President of Student Affairs and Dean of Students or their designee after completion of the hearing.

All contents of the hearing packet, documents presented at the hearing and notes taken during the hearing should be collected and kept by the Office of Student Affairs. In the case of an appeal, either party may access a copy of the packet and/or notes taken during the hearing at the Office of Student Affairs. No Chatham community member (faculty, staff, or student), but the person filing and hearing an appeal may have access to the audio recording.

The Office of the Dean of Students shall retain the audio recording and any written notes of the hearing. The recording and the written account are the property of the University and will be used only by the person hearing any appeal. Once the designated time for the appeal process has passed, the Vice President of Student Affairs and Dean of Students or their designee shall destroy the audio recording and notes.

## **5. Appeals**

Any student who is a Complainant or a Respondent in a Student Conduct Hearing may appeal the decision to the Vice President of Student Affairs and Dean of Students or their designee within five (5) Business Days from the date of written notification of the decision. The Dean of Students Office will designate the appeal to an appropriate University official.

An appeal from a Student Conduct Hearing may be based only on one or more of the following grounds:

1. There is previously unavailable relevant evidence that likely would have significantly impacted the outcome of the hearing.
2. There was a procedural error that likely would have significantly impacted the outcome of the hearing.
3. The sanctions that were imposed were substantially disproportionate to the findings.

An appeal decision shall consist of a written statement requesting review of the decision and/or sanction(s) and an explanation of why an appeal should be granted based on one

or more of the three (3) grounds stated above. This also holds true in cases where the Respondent is a student organization.

If the Vice President of Student Affairs and Dean of Students or their designee determines that one or more of the three conditions are met the Vice President of Student Affairs and Dean of Students or their designee may revise the sanction(s) or order a new hearing before a new Judicial Board/AHO.

The Vice President of Student Affairs and Dean of Students or their designee will typically render a decision on the appeal within five (5) business days of receiving the written notice of appeal. The Vice President of Student Affairs and Dean of Students or their designee will provide written notification (via e-mail is acceptable) to the student who appealed within three (3) business days from the date of the decision. Appeals decisions will be final.

# Academic Integrity

The Honor Code is comprised of two distinct policies: Student Behavior and Conduct Policy and the Academic Integrity Policy. This section specifically focuses on the Academic Integrity Policy.

The purpose of this policy is to outline the academic integrity process in place at Chatham University to identify, report, and adjudicate acts of academic misconduct by students within all academic pursuits at the University.

## Academic Integrity and Academic Misconduct Under this Policy

The following definitions provided are not all-inclusive but are illustrative of conduct that may breach the above expectations outlined in Section I: Overview, exposing a student or students, recognized student organization, or athletic team to disciplinary proceedings and sanctions, regardless of whether the conduct occurred during an academic term, on or off campus.

### Academic Integrity

Academic Integrity is defined as upholding the tenets of the Chatham University Honor Code of excellence in all endeavors, honesty, personal integrity and accountability, and respect for the rights, opinions and well-being of others as they relate to all academic pursuits at the University.

### Academic Misconduct

Academic misconduct is defined as failure to abide by the tenets of the Chatham University Honor Code of excellence in all endeavors, honesty, personal integrity and accountability, and respect for the rights, opinions and well-being of others as they relate to academic pursuits at the University.

Acts of academic misconduct are distinguished by the nature of the act according to the reasonable belief of the instructor and fall into two broad categories – Technical and Substantiated.

**Technical acts of academic misconduct** are those reasonably believed by an instructor to be purely technical in nature and/or without intent to achieve an academic advantage. Technical acts include, but are not limited to incorrectly citing, paraphrasing, and attributing sources within an academic course or exercise. Technical acts of academic misconduct do not present egregious and blatant attempts to use or share sources or other materials in a manner consistent with substantiated acts of academic misconduct.

**Substantiated acts of academic misconduct** are those reasonably believed by an instructor to achieve an academic advantage and violate the tenets of the Chatham University Honor Code of excellence in all endeavors, honesty, personal integrity and accountability, and respect for the rights, opinions and well-being of others as they relate to academic pursuits, including research and internships, at or affiliated with the University. Substantiated acts include, but are not limited to the following:

**Alteration of University Documents:** Forgery of any signatures; submitting an altered transcript of grades to or from another institution or employer; putting one's name on

another individual's work; or falsely altering a previously graded exam or assignment.

**Cheating:** Cheating includes fraud, deceit, or dishonesty in an academic course or exercise in an attempt to meet academic requirements by gaining an unfair advantage and/or using or attempting to use unauthorized materials, information, or study aids on any academic course or exercise.

*Examples of cheating include, but are not limited to using any electronic device to copy, transmit, or receive information during an exam; any form of contract cheating such as asking or paying someone to take a test, write a paper, or complete any assignment for you; obtaining a copy of an exam without instructor permission; and sharing copies of exams with students who have yet to take the exam.*

## Reporting Acts of Academic Misconduct

### Individual Responsibility as a Member of the Chatham University Community

Any member of the Chatham University community who has witnessed an apparent act of academic misconduct (technical or substantiated), or has information that reasonably leads to the conclusion that such an act has occurred or has been attempted, has the responsibility to inform the Academic Integrity Officer or their designee as soon as possible at [academicintegrity@chatham.edu](mailto:academicintegrity@chatham.edu) to ensure adherence to the University's academic integrity policy and procedures.

Contacting the Academic Integrity Officer initiates notification of instructors, Chairs/Program Directors, and/or Deans to apparent acts of academic misconduct in order to comply with this policy and [its procedures](#).

## Consequences for Acts of Academic Misconduct

The Honor Code strives to educate students on personal growth and understanding of what it means to be a contributing member of the University community. While sanctions aim to be educational in nature, sanctions can also be punitive depending upon the circumstances of the act of academic misconduct. The determination of sanctions is based upon several factors, including the nature of the academic misconduct, the impact of the academic misconduct on the community, any previous acts of academic misconduct, and any mitigating or aggravating circumstances.

### Disciplinary Status

It is expected that Respondents found responsible for an act of academic misconduct will be subjected to at least one of the following disciplinary statuses and may be subject to an accountability and support plan, which is designed to educate and encourage reflection on the student's decisions and provide assistance in gaining skills to avoid and prevent future academic misconduct. All student-athlete disciplinary statuses will be reported to the Athletics Department and athletes may be subject to additional process and sanctions.

**Educational Warning:** An unofficial written notice is generally used for first-time, technical acts of academic misconduct that fall within the informal resolution process. It indicates that the academic misconduct violated the tenets of the Honor Code and warrants education and modification for the future. A student who is in this status may still complete an accountability and support plan, but this status will typically warrant a discussion and reflection on better decision-making as well as gaining skills to avoid and prevent future academic misconduct. Unlike other sanctions, an educational warning status will not appear in a student's conduct file, but it will be maintained in the Academic Integrity Officer's academic misconduct records and may be taken into consideration if additional academic misconduct occurs.

### Disciplinary Warning

An official written notice which conveys that the academic misconduct violated the tenets of the Honor Code and that future acts of academic misconduct may result in more severe disciplinary sanction. This sanction status will be reflected in the Student's Conduct File and could be reported per Section VII: Retention of Records

## Probation

An official written notice indicating that subsequent acts of academic misconduct will result in a review for suspension or dismissal from the University. The probation will be enacted for a specified duration admonishing a student if they are found responsible for engaging in academic misconduct during this time period more severe disciplinary sanctions will be imposed.

Conditions of probation include, but are not limited to, loss of privileges, fines, and fees. This status is used in the case of substantiated acts of academic misconduct and repeated acts of academic misconduct. This sanction status will be reflected in the Student's Conduct File and could be reported per Section VII: Retention of Records.

## Suspension

An official written notice outlining the separation of the student from the University for a defined period of time, after which the student is eligible to return. The sanction prohibits attendance at any classes and participation in the University Study Abroad program and may restrict access to University grounds or buildings, as well as attendance at University sponsored social events or other functions. The student may not register or enroll until the stated period of suspension is completed and any requirements for the period of suspension or conditions to return to the University are fulfilled. This sanction status will be reflected in the Student's Conduct File and on the official transcript.

## Dismissal

An official written notice outlining the permanent separation of the student from the University. This sanction status will be reflected in the Student's Conduct File and on the official transcript. This record will be retained permanently.

## Student and Recognized Student Organization Accountability and Support Plan Options

Respondents may also be subject to an Accountability and Support Plan, which is designed to educate and encourage reflection on the student's decision-making process as well as gaining skills to avoid and prevent future academic misconduct. Accountability and Support plans can be created for individual students, recognized student organizations, athletic teams, and/or groups of students.

An Accountability and Support plan for a technical act of academic misconduct may include, but is not limited to, requiring the student to resubmit the assignment or take a new exam; failing the student on the assignment or exam; lowering the student's grade in the course; requiring an assigned paper or research project related to ethics or academic integrity; scheduling a meeting with the Academic Integrity Officer; requiring the student to participate in a workshop, seminar, or tutorial on ethics, academic integrity, or specific writing mechanics; or the appointment of a writing tutor to assist with writing skills.

An Accountability and Support Plan for a substantiated act of academic misconduct may include, but is not limited to requiring the student to participate in a workshop or seminar on ethics or academic integrity; requiring an assigned paper or research project related to ethics or academic integrity; scheduling a meeting with the Academic Integrity Officer; participation in a credit bearing course on ethics or academic integrity; failure of the course; removal of graduate fellowship or assistantship support; removal of scholarships or honors; probation; suspension for one or more semesters/terms; or dismissal from the

University in addition to any course-based or institutional sanctions recommended by the instructor, Academic Integrity Board and Dean of the appropriate school.

A student who chooses to withdraw from the University rather than participate in the academic integrity process will be classified as having been withdrawn for reasons of academic misconduct and a hold will be placed on the student's account. A student who withdraws under these circumstances is not permitted to re-enroll or participate in any class or program until the pending matter is resolved. A student cannot avoid consequences for violating the University's Academic Integrity Policy by withdrawing from the course in which the violation occurred. The University reserves the right to change any Withdrawal (W) grades to a letter grade based on the outcome of the academic integrity process.

If a student does not complete the sanctions and/or accountability and support plan associated with their act of academic misconduct by the determined deadline, the student will be placed on probation and a hold may be placed on the student's account.

Extenuating circumstances which prevent a student from completing sanctions and/or accountability and support plan by the determined deadline must be documented and will be considered on a case-by-case basis.

## **Appeals to Decisions on Acts of Academic Misconduct**

A student, students, recognized student organization or athletic team that has gone through the Formal Resolution process, has the right to file a written appeal with the Vice President for Academic Affairs (VPAA) within five (5) business days of receiving the Dean's decision for the following reasons only: 1.) a procedural error unfairly and materially affected the outcome of the case 2.) evidence has been discovered that was not reasonably available at the time of the hearing or 3.) there was a clear abuse of discretion on the part of the Honor Code Committee.

The appeal must identify and cite the issues or findings the student is challenging as well as documentation supporting their position.

The VPAA will contact the student who makes an appeal regarding the next steps in the process.

The VPAA's decision will be final and communicated to the student in writing within ten (10) business days.

Further instructions on how to write an appeal will be provided to a student with the Dean's decision. Questions about the appeals process should be directed to the Academic Integrity Officer.

## **Retention of Records**

Chatham University retains outcomes of the Student Honor Code and Academic Integrity proceedings in the student record and student management systems. Records of the proceedings are maintained by the Dean of Students and/or Academic Integrity Officer.

Records of student conduct and academic integrity proceedings are confidential and are not released to any external individual, agency, or organization. Records can be released only with written consent of the current/former student or as otherwise required or authorized by law, court order or University policy.

Records pertaining to student conduct and academic integrity proceedings generally do not result in a notation on the student transcript unless the student is suspended or dismissed as a result of these proceedings. Educational Warning statuses are not included in the student's conduct file.

All other statuses outlined in Consequences for Academic Misconduct will become a part of the student conduct file and will be retained for either the period of time required under the federal Clery Act (which in most cases is six to seven years after the date the incident was reported to the University), or seven years after final separation of the student from the university, whichever is longer.

For purposes of determining final separation from the University, a student must be separated for seven continuous years. If a student reenrolls in any student program within seven years, the calculation of the final separation date will reset. If a student withdraws from the University prior to final adjudication of a student conduct or academic integrity matter or fails to fulfill all obligations to the University, the records of the proceedings will be retained indefinitely.

## **Amendment/Review of Policy**

The Chatham University Honor Code – Policy on Academic Integrity will be reviewed by the Academic Integrity Officer, the Committee on Academic Policy, the Honor Code Committee and the designated body one year after implementation and then every three years thereafter. In addition, the Honor Code may be amended at any time due to a change in local, county, state, or government laws and/or policies.

# Title IX Policy Regarding Sex Discrimination, Sexual Harassment, and Other Forms of Sexual Misconduct

Chatham University's Policy Prohibiting Sexual Harassment outlines its obligations under Title IX to prevent and respond to sex-based discrimination, harassment, and related misconduct. The policy defines two categories of prohibited conduct: Title IX Prohibited Conduct—which includes quid pro quo harassment, severe and pervasive conduct that denies educational access, sexual assault, dating violence, domestic violence, and stalking—and Non-Title IX Prohibited Conduct, which encompasses similar behaviors that fall outside strict Title IX jurisdiction but still violate University standards. The policy applies to conduct occurring on campus, in University programs or activities (including off-campus events with University affiliation), or incidents off campus with continuing adverse effects on the Chatham community.

The policy details reporting options, including direct contact with the Title IX Coordinator, reports to “Responsible Employees,” or anonymous online submissions. It emphasizes immediate safety, evidence preservation, access to medical and counseling support, and options for both University and criminal investigations. Once Chatham has “actual knowledge” of prohibited conduct, the Title IX Coordinator offers supportive measures (academic, housing, work adjustments, no-contact orders, etc.) and explains the process for filing a formal complaint. The grievance process includes an impartial investigation, evidence review, and a hearing (for Title IX cases) or written questioning process (for non-Title IX cases). Decisions are based on a preponderance of the evidence, and both parties can appeal on specific grounds such as procedural error, new evidence, or bias.

The policy also provides for informal resolution (except in cases involving employee–student harassment), prohibits retaliation, and clearly defines key terms like “consent,” “actual knowledge,” and “supportive measures.” Sanctions for policy violations range from warnings and educational programs to suspension, expulsion, or termination of employment. Throughout, the policy prioritizes equitable treatment of complainants and respondents, confidentiality where legally permissible, and measures to preserve equal access to Chatham's educational programs and activities.

# Chatham University Notice of Non-Discrimination

(Updated May 2022)

It is the policy of Chatham University to not discriminate on the basis of race, color, gender, sexual orientation, national origin, age, disability, veteran status, marital status or any other legally protected status in its educational programs and policies, co-curricular activities, scholarship and loan programs, or employment practices. Specific inquiries regarding these matters may be directed to the assistant vice president of human resources: Chatham University, Woodland Rd, Pittsburgh, PA 15232, 412-365-1847.

Moreover, as a recipient of Federal financial assistance, Chatham complies with recent federal regulations contained in Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Executive Order 11246, which deals with Affirmative Action.

Chatham pledges to uphold and protect the rights of its students and employees with regards to these laws. To this end, the University has instituted the following grievance procedures. Any student or employee of the University who feels that discrimination has occurred should use the following procedures for a fair and equitable resolution of the grievances. Any grievant also has the right to file a complaint with the Office of Civil Rights, U.S. Department of Education, in Washington D.C., the Pennsylvania Human Relations Commission, or the Equal Employment Opportunity Commission.

## General Procedure for Discrimination Grievances

1. The grievant should first discuss the grievance informally with their instructor, department chair, immediate supervisor, or the office or group that made the decision in dispute. The two parties will discuss the grievance and attempt to reach a solution on an informal basis. This informal procedure should take place no more than three (3) weeks after the occurrence of the alleged grievance.
2. If the grievant is not satisfied with the outcome of the informal grievance procedure, they may appeal to the Vice President for Student Affairs or the Assistant Vice President for Human Resources for faculty and staff.
3. For this appeal, the grievance will be written. The respondent will also submit a written statement detailing the events of the informal procedure and their response to the grievance. These materials should be submitted within two (2) weeks following the informal procedure. After review of the written materials and conferences with each of the involved parties, the appropriate administrator will render a decision on the matter within one week of receipt of these materials.
4. If the grievant is not satisfied with the decision of the administrator, they may appeal, within one week, to the President of the University, who will review the grievance and make a final determination within one week of the request for appeal.

If Chatham determines that unlawful discrimination has occurred, immediate and adequate corrective action will be taken in accordance with the circumstances involved to correct its discriminatory effects on the grievant and others, if appropriate. Chatham will also take steps to prevent the recurrence of any discrimination.

# Political Activism and Freedom of Expression

## Resolution on Freedom of Expression

Chatham University's ("Chatham" or "the University") commitment to freedom of expression and free speech is enshrined in its Mission, which provides, among other things, that Chatham graduates will be prepared to "recognize and respect diversity of culture, identity, and opinion."

Because Chatham is committed to free and open inquiry in all matters, it guarantees all members of the Chatham community the broadest possible latitude to speak, write, listen, challenge, and learn. Except insofar as limitations on that freedom are necessary to the University's functioning, Chatham fully respects and supports the freedom of all members of the Chatham community "to discuss any problem that presents itself."

Of course, the ideas of different members of the Chatham community will often and quite naturally conflict. But it is not the proper role of the University to shield individuals from ideas and opinions they find unwelcome, disagreeable, or even deeply offensive. Although Chatham greatly values civility, all members of the Chatham community share in the responsibility for maintaining a climate of mutual respect, and concerns about civility can never be used as a justification for closing off discussion of ideas, however offensive or disagreeable those ideas may be to some members of our community.

The freedom to debate and discuss the merits of competing ideas does not, of course, mean that individuals may say whatever they wish, wherever they wish. Chatham may restrict expression that violates the law, that falsely defames a specific individual, that constitutes a genuine threat or harassment, that unjustifiably invades substantial privacy or confidentiality interests, or that is otherwise directly incompatible with the functioning of the University. In addition, Chatham may reasonably regulate the time, place, and manner of expression to ensure that it does not disrupt the ordinary activities of the University. But these are narrow exceptions to the general principle of freedom of expression, and it is vitally important that these exceptions never be used in a manner that is inconsistent with Chatham's commitment to a completely free and open discussion of ideas.

In a word, Chatham's fundamental commitment is to the principle that debate or deliberation may not be suppressed because the ideas put forth are thought by some or even by most members of the Chatham community to be offensive, unwise, immoral, or wrong-headed. It is for the individual members of the Chatham community, not for Chatham as an institution, to make those judgments for themselves, and to act on those judgments not by seeking to suppress speech, but by openly and vigorously contesting the ideas that they oppose. Indeed, fostering the ability of members of the Chatham community to engage in such debate and deliberation in an effective and responsible manner is an essential part of Chatham's educational mission.

As a corollary to Chatham's commitment to protect and promote free expression, members of the Chatham community must also act in conformity with the principle of free expression. Although members of the Chatham community are free to criticize and contest the views expressed on campus, and to criticize and contest speakers who are invited

to express their views on campus, they may not obstruct or otherwise interfere with the freedom of others to express views they reject or even loathe. To this end, Chatham has a solemn responsibility not only to promote a lively and fearless freedom of debate and deliberation, but also to protect that freedom when others attempt to restrict it.

*This Resolution is adapted and excerpted from the 2015 University of Chicago Report of the Committee on Freedom of Expression. The original is available in full at [provost.uchicago.edu/sites/default/files/documents/reports/FOECommitteeReport.pdf](http://provost.uchicago.edu/sites/default/files/documents/reports/FOECommitteeReport.pdf).*

## Objections to a Campus Speaker or Event

The preceding policies, read together, embody a clear institutional presumption that individuals ought to be allowed to express their opinion and speak their mind. In light of that presumption, any member of the Chatham community who wishes to object to a speaker or an event may e-mail the sponsoring organization or department with a detailed explanation of their objection. In such cases, the burden shall be on the objector to overcome the presumption in favor of freedom of expression on campus.

## Health and Safety

### Alcohol Policy

Chatham University supports the laws of the Commonwealth of Pennsylvania concerning alcohol and acknowledges the responsibility to inform each student of their obligation to abide by these laws; any infraction makes the accused party liable to punitive action from the state. The University is not responsible for and will offer no protection for violators of these laws. In brief, the law prohibits the purchase, consumption, possession or transportation of intoxicating liquors, malt, or brewed beverages by minors (under age 21), and prohibits any other person to sell, furnish or give any such beverages, or to permit any of these beverages to be sold, furnished or given to any minor. The law also prohibits any person or group from selling alcoholic beverages without an appropriate license from the Liquor Control Enforcement agency.

Alcoholic beverages are not permitted at any student function at the University sponsored by any student group or organization unless authorized by the Office of Student Affairs. No University funds, including student activities fees, are to be spent for alcohol by student groups or organizations or their representatives, unless authorized by the Office of Student Affairs.

Alcohol may only be consumed in University residences when at least one resident of the room or apartment is of legal drinking age. If the amount of alcohol found in such a residence area is an unreasonable amount (based on the number of legal drinking students who are present), underage residents and guests may be charged with a violation of the alcohol policy. Likewise, underage students who are in the presence of alcohol being

consumed by other underage community members and/or who are in the presence of a disproportionately large quantity of alcohol found in the living area of a student of legal drinking age, are subject to being charged with a violation of the alcohol policy. It is suggested and expected that underage students exercise appropriate and sensible judgment at all times, especially when they find themselves in the presence of alcohol.

## **Drug Policy**

Chatham University supports the Federal, State and municipal laws governing the illegal use, possession, or transferring of any narcotic drug, including, but not limited to, marijuana, heroin, LSD, barbiturates, or amphetamines. The University will not be responsible for, nor offer protection to, a student violating these laws. In addition, the University strongly advises students to refrain from involving themselves and other students in any violation of these laws. Students who are in the presence of illegal drugs may be charged with a violation of the drug policy. It is suggested and expected that all students exercise appropriate and sensible judgment whenever they may find themselves in such situations.

## **Medical Marijuana Policy**

On May 17, 2016 Pennsylvania's Medical Marijuana Act, Act 16, went into effect. Act 16 allows for the controlled use of medical marijuana in the Commonwealth of Pennsylvania. Although students, staff, and faculty who are legally registered for medical marijuana through Pennsylvania's Department of Health are allowed to possess and consume certain quantities of marijuana, doing so is not permitted on Chatham University property or at university-sponsored events (either on or off campus).

Marijuana is classified as a Schedule I drug according to the Controlled Substances Act. Thus, the use, possession, cultivation, or sale of marijuana violates federal policy. Federal grants are subject to university compliance with the Drug Free Communities and Schools Act, and the Drug Free Workplace Act. The university is also subject to the Controlled Substances Act. This prohibits the university from allowing any form of marijuana use on Chatham University property and/or at university-sponsored events.

Students who are registered through the Pennsylvania Department of Health may submit a letter to Residence Life requesting to be released from the Chatham University two-year residency requirement and their university housing contract. In such situations students will be released from their contracts with no financial penalty. Any payments made to the university for housing facilities will be returned to the student at a prorated amount determined by how many days they resided in University housing.

## **Student Health and Safety Response Protocol for Harm to Self or Others**

[Updated June 2023]

The primary intent of the Chatham University Student Health and Safety Response Protocol is to identify at-risk students, including those who need support, and address concerns effectively and safely so they may succeed in their academic and personal endeavors. The protocol is initiated when a student is potentially harmful to themselves or others.

Chatham offers a range of resources, support services, and accommodations to address the physical and mental health needs of students. However, on rare occasions, a student's

needs may require a level of care that exceeds the care the University can appropriately provide. The Vice President of Student Affairs and Dean of Students or their designee has the authority to place a student on a Non-Academic University-Initiated Leave in the following instances: (1) where current knowledge about the individual's medical condition and/or the best available objective evidence indicates that a student poses a significant risk to the health or safety of a member of the University community; (2) where a student is unable or unwilling to carry out substantial self-care obligations and poses a significant risk to their own safety; or (3) where a student's behavior severely disrupts the University environment and the student does not want to take a voluntary leave. More information regarding Non-Academic University-Initiated Leaves is available in the University Catalog.

The University recognizes that students may experience situations that significantly limit their ability to function successfully or safely in their role as students. In such circumstances, students should consider a medical schedule cancellation or withdrawal. The medical schedule cancellation or withdrawal permits students to take a break from the University and their studies, so that they may address the issues that led to the need for the leave and, if remedied and approved by Student Affairs, later return to the University with an enhanced opportunity to achieve their educational goals. Students may be given the option to use this process before a decision is made about a Non-Academic University-Initiated Leave. More information regarding the medical schedule cancellation or withdrawal policy is available in the University Catalog.

## DEFINITIONS

- Potential Harm to Self is defined as: suicide ideation, suicide attempts, severe substance abuse or eating disorder symptoms, self-injurious behaviors, or any other similar self-directed behavior causing high risk to an individual.
- Potential Harm to Others is defined as: information about an attempted action, potential threat, or threat itself that is consistent, plausible and/or includes detail of a plan. Other lower-level threats can be addressed through mental health support, the University Honor Code, or other means.

## PROCEDURES

When a faculty member, staff or student is aware or suspects that another student has engaged in, or intends to engage in, behavior that will cause harm to themselves or others, the incident shall be reported to Student Affairs. Student Affairs may direct the referrer to Counseling Services. If a student is in imminent danger to harm themselves or others, please call Chatham Public Safety. Other important numbers:

- Student Affairs Office Number: 412-365-1286 [M-F, 9am-5pm]
- Counseling Services Number: 412-365-1282 [M-F, 9am-5pm]
- Residence Life Professional Staff On-Call Number: 412-670-6247

For urgent, non-emergency, after-hours support only.

- Student Affairs After-Hours Admin-On-Call Numbers: 412-951-0002
- In cases where harm is suspected, the reporter must provide information that led to their concern. Student Affairs will respond to the incident and, in addition, may prompt the reporting party to fill out a Cougars Care Referral form, found on [my.chatham.edu](http://my.chatham.edu).
- Student Affairs, the Cougars Care Team, and/or the Behavioral Intervention Team, may be assembled to determine what steps are in the best interest of the student and the campus community. The Cougars Care team is made up of individuals from Student

Affairs, Residence Life, Academic Advising Center, and the Office of Academic & Accessibility Resources. The Behavioral Intervention Team is comprised of the Cougars Care Team, with the addition of representatives of Counseling and Wellness, University Police, and the Title IX team.

The possible responses which are determined on a case-by-case basis may include:

- Convening of the Cougars Care Team, Behavioral Intervention Team, and/or referrals to Chatham University Counseling Services, Student Health Services and/or Public Safety. In instances of urgent need, emergency services (e.g., 911) or emergency care (e.g., consultation with Resolve Crisis Services or hospitalization) may be required.
- If deemed appropriate, a support plan may be developed by the Vice President of Student Affairs and Dean of Students or their designee in collaboration with the student. The student will be asked to sign the plan, or respond affirmatively via email to the plan, thereby indicating their awareness of the recommendations included. A member of the Student Affairs team will review and discuss the support plan with the student prior to signature.
- In instances where a student does not follow through with recommendations outlined in the support plan, and that lack of follow through results in continuation of harmful actions, further steps may be required in order ensure the health and safety of the student and community members. In such instances, examples of such steps may include a review of options including a medical schedule cancellation or withdrawal. A member of Student Affairs may implement future steps to be taken for the student to succeed at Chatham.
- In rare instances, the VP of Student Affairs/Dean of Students, or their designee, may initiate the Non-Academic University-Initiated Leaves policy (the “Policy”). The University may require a leave of absence, suspension, or dismissal at any time if it is deemed necessary to protect the student, other students, members of the University community, or the interests of the University itself. A University-Initiated leave of absence is an administrative process; it is not a disciplinary process. These procedures are not intended to be punitive and do not take the place of disciplinary actions that are in response to violations of the University Honor Code. More information regarding Non-Academic University-Initiated Leaves is available in the University Catalog.

# Residence Life Policies

## 2-Year Residency Policy

The on-campus living experience is vital to the growth and development of the whole student. All incoming students entering Chatham who have completed less than four terms of college/university are required to reside in on-campus housing for their first two years on campus.

Exceptions to the residency policy include:

- Students who plan to live with parent(s), or legal guardians, in the greater Pittsburgh area (within 20 miles of campus).
- Students who are 21 years or older and have been out of school for a year or more living independently from their parent(s) and/or legal guardians.
- Students who transferred from another college or university and have already completed four terms at their previous institution.
- Students who have a prescription for medical marijuana are exempt from the residency requirement pursuant to the University's Medical Marijuana Policy.

Students requesting to be exempt from the residency status based on the criteria listed above must request to register as a commuter by completing the Application for Commuter Student Status. Any student requesting to be exempt for another extenuating reason can submit the formal request through the Application for Commuter Student Status. Please note, exemption requests beyond those listed above are rarely approved and will be reviewed on a case by case basis. If you have any questions, please email [reslife@chatham.edu](mailto:reslife@chatham.edu).

## Emotional Support Animals Housing Policy

### Policy Statement

It is the policy of Chatham University to comply with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), the Fair Housing Act, and other applicable federal and state regulations that prohibit discrimination on the basis of disability. Chatham University understands its obligation to provide students with a safe, healthy, and supportive residential experience within residence halls and is committed to providing equal access to university housing to all students with qualifying disabilities. In keeping with this obligation, Chatham University affirms that emotional support animals (ESAs) are permitted in housing facilities in accordance with University procedures and policies. This policy includes the procedures for requesting an ESA and the responsibilities of students who have ESAs in University housing.

### Standards for Approved Emotional Support Animals

Emotional Support Animals (ESA) is an animal (typically a dog or cat, but can include other species) that provides a therapeutic benefit, such as comfort and support in the forms of affection and companionship for an individual suffering from various mental or emotional conditions. They are prescribed to an individual by a licensed medical professional. Unlike Service Animals, ESAs are not required to perform any specific tasks for a disability.

Students who are approved to have an ESA in University housing are required to adhere to the following housing guidelines and restrictions:

**Animal Type:** While most ESAs are dogs or cats, students are permitted to select a different ESA species. Dangerous, poisonous, illegal, and any other animals that pose a direct threat to the health and/or safety of the campus community will not be permitted as ESAs. Size and weight restrictions may also apply.

**Animal Care:** The care of the animal is the sole responsibility of the person who benefits from the animal. This person is responsible for cleanup of all waste and for maintaining control of the animal at all times. All animals must be kept reasonably clean and free of parasites. Animals must be cleaned and dried from walking in the rain or mud before re-entering the residence. Animals must be groomed regularly as recommended by a licensed veterinarian.

**Animal Safety:** ESAs must be caged when the resident student is not with the ESA. If the student leaves campus for more than a 24-hour period, they are required to take the ESA with them. ESAs cannot be left in the care of other students or individuals residing on the Chatham University campus.

**Boarding:** The owner of the ESA must provide emergency contact information to facilitate continuity of care for the ESA in the event of an emergency. Once the emergency contact has been notified, they will have 24-hours to pick up the animal.

**Documentation & Registration:** The ESA must have a collar that identifies the name of the student and emergency contact. Resident students are responsible for informing themselves of all City of Pittsburgh Ordinances as it relates to animals within city limits. For ESAs, proof of City registration must be provided upon the initial request (some forms of ESA species are not required to be registered). It is also recommended that ESA owners follow City ordinances.

**Vaccination & Health:** Proof of good health must be provided by a licensed veterinarian upon initial request and on an annual basis. At any time that it is readily apparent that the animal needs veterinary attention, the University may require that the animal receive treatment. All veterinary costs are the responsibility of the resident.

The animal must be vaccinated against disease and fleas as recommended by a licensed veterinarian. Resident students must provide proof of vaccinations upon the initial request and on an annual basis. All Canine and Feline ESAs must have a current rabies vaccination and wear a rabies vaccination tag at all times. All financial responsibility rests with the resident.

Animals must be spayed or neutered when they reach the appropriate age if they are to reside on Chatham's campus. Documentation should be provided upon request.

**Control of Animal:** The ESA must be on a leash, if appropriate for the animal, at all times when outside of the private living area of the person. ESAs must remain under control of the owner at all times and control may not be transferred to another individual, even momentarily.

**Disruptive Behavior:** An animal may be removed if it howls, yelps, whines, or barks in such a manner as to reasonably disturb any person or if it attacks, bites, injures, snaps, growls, snarls, whines, or jumps upon others without aggressive provocation or any other behavior perceived as threatening.

**Responsibility for Damages:** The ESA's owner will be held financially responsible for all damages as a result of the animal, including, but not limited to: pest control, repair or replacement of furnishings or flooring, repair to walls, doors and molding, deep cleaning and odor reduction, stain removal, and damage to all property of others or the University. Within 24 hours of damage, the owner is required to submit a report to the Director of Residence Life outlining the incident and resulting damage.

**Waste Disposal for ESAs:** The person benefitting from the ESA is responsible for removing and cleaning all waste both within campus facilities and on campus. Proper cleanup of waste includes, at a minimum, immediate removal of all liquid and solid waste and disposal of waste into an outside waste container. Owners are required to have in their possession appropriate cleaning materials and waste bags when animal is present on university grounds. Within the housing unit, litter boxes and animal habitats must be cleaned daily and kept free from odor. Waste must be placed into an impermeable container and **disposed of in an outside container on a daily basis.**

**Areas off Limits to ESAs:** ESAs are not permitted within campus buildings or outside the student's assigned residence halls. Residents are not permitted to bring the ESA into other residence halls or campus buildings when visiting students, faculty, or staff. ESAs are not permitted in indoor public or common areas, including but not limited to: recreational areas, laundry rooms, and lobbies. ESAs are not permitted in common area kitchens or living areas except when temporarily necessary as a passageway to the student's private living area.

**Roommates and ESAs:** It is the responsibility of the student requesting an ESA to inform their roommates of the entering ESA. If a roommate is not comfortable with an ESA, the student requesting the ESA will be responsible for finding roommates that comfortable with their ESA within their living unit.

**Support Staff Entry Requirements:** Owners must be present as requested for preventative and routine maintenance, health and safety inspections, and for any other purposes when staff must enter the private living area as requested by the Office of Residence Life.
