We hope you will find this 5-month calendar useful and will post it on your wall. Do refer to it frequently as you plan your days. Please note that this calendar lists a minimal number of activities that will take place throughout the fall term. Listed below are ways to obtain information about upcoming activities:

- Check the calendar on **MyChatham** on a regular basis to make sure you are not missing out! Throughout the term more programs are added to the line-up so checking MyChatham is a good way to be informed about campus activities
- If you are an undergraduate student, you will receive an e-mail titled **CHATHAM HAPPENINGS** weekly. Chatham Happenings is sent to you on Tuesday every week and it details activities taking place one week in advance.
- If you are a graduate student, you will receive an e-mail titled **GRAD NEWS UPDATE**. This e-mail is sent to you weekly and it details activities taking place two weeks in advance.

We look forward to seeing you at Chatham activities throughout fall 2016!
