

Celebrating 20 Years of CWE

Building Entrepreneurship and Community Together

For 20 years, CWE has empowered entrepreneurs, strengthened small businesses, and created meaningful economic opportunity in our community. This impact would not be possible without the support of those who believe in the power of entrepreneurship. As we celebrate our 20th Anniversary, we are not only honoring the progress we've made together but also looking ahead. With your support, CWE can continue expanding access to education, counseling, and resources that help small business owners grow and succeed. Join us in celebrating this milestone and investing in the next chapter of CWE's work.
